

FRENCH OYSTERS AT BRENNER

Anyone who loves oysters is immediately transported to the rugged Atlantic coasts with each bite, as the delicate, salty taste evokes the ocean itself. It's an unforgettable experience – one that many still remember long after tasting their very first oyster. We have selected three particularly fine varieties from France for you - all of them very sustainable, by the way, as oysters improve the quality of the sea and do not require any feed.

We serve all of our oysters with lemon and a briefly fermented shallot vinaigrette.

6 Pieces of Fines de Claire Nr. 3	24.50
Very beautiful rock oyster with a hint of citrus and fresh seaweed	
4 Pieces of Gillardeau Nr. 4.....	23.50
Rock oysters from the Marennes-Oléron region, they are taken out of the water and shucked around 50 times. The oysters are of course Spéciales de claire, they taste very pure, a special treat	
4 Pieces of Bélon Nr. 3	26.50
In Brittany, especially around the banks of the Belon river, the real European oysters thrive; their shape is rounder and flatter than that of rock oysters. Our Belon oysters have a very fine, slightly nutty flavour with a hint of fresh sea breeze	
3 Pieces of Oysters au Gratin.....	17.50
Fines de Claire oysters au gratin on spinach leaves with herb crumbs and half melted butter, served with a small, fresh lemon foam	
Special Selection of our Oysters.....	32.50
2 pieces each of Fines de Claire, Gillardeau and Belon oysters, perhaps the most beautiful way to enjoy the nuances!
